# Experience Counts Referral Form

## Program Objective

Experience Counts is designed to help retain the knowledge and skills of mature age workers who have retired voluntarily or may have been displaced from the workforce. It helps facilitate the return of mature age people to the workforce and share their experience and skills with other workers.

## Criteria

Applicants must be over 55 years of age and not be in the workforce.  
Applicants must have experience and / or qualifications in aged care or disability work ( Ageing and Disability Program ) or Nursing, Allied Health or patient care ( In Healthy Hands ).

## The Program

Training in both programs is fully funded and includes mentoring, job coaching and placement.
